A Chara,

Thanks to everyone who over the past year has contributed to the IRPAS Sustainer. The Republican Political Prisoners held on both sides of England's border in Ireland greatly appreciate your support and the help you have consistently given to their families.

The Annual CABHAIR Christmas Swim will be held this year on Christmas morning at the Grand Canal in Inchicore, Dublin. This year marks the 33 Anniversary of this event. Over the last few years, here in the U.S. we have growing support and sponsorship for those who take the chilly morning plunge in support of the prisoners' families.

Hopefully, this year we will have even more support for this worthy cause. The number of Irish Republican Political Prisoners being held in English and Irish jails for their belief in a 32 County Republic is growing. Political prisoners and their families need our help!

With the holiday season fast approaching, many families will benefit from your donation of any amount in support of the Annual CABHAIR Swim. Your contribution means something truly special to them, especially in days such as these. If you have been meaning to contribute all year, this is the time to do so. Your support will raise the spirits of a family - who have sacrificed themselves to raise the spirit of a Sovereign Irish Nation.

As an added incentive, the first 24 people to send donations of \$100 or more will receive a handcrafted commemorative Celtic designed ornament. This will be a beautiful decoration for any home all year round.
